

Ask Me About...

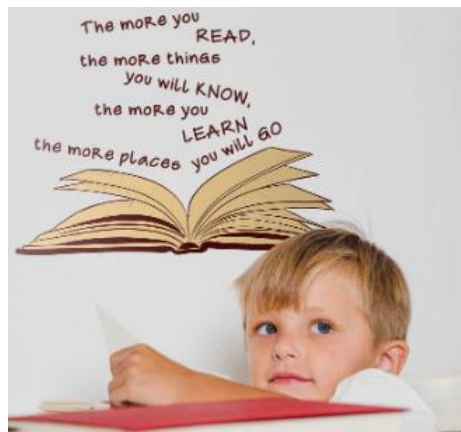

Hello,

Thank you for bringing in your favourite story books this week. We have loved reading them together...

Here are our 'Ask Me About' moments for the last few days...

- Our phonics sounds: i,n,m,d
- Music: playing the musical instruments and the outdoor stage area
- Painting our self-portraits and labelling them
- News Time

Homework:

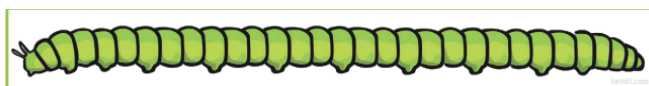

Whilst not compulsory, we do encourage children to continue their learning at home.

Maths:

This week we have been continuing looking at the Number 1. We have also been looking at comparing length and using key vocabulary such as:

- Shorter/ Shortest
- Longer/ Longest

Have a go at drawing caterpillars (or use these below) and practise your cutting skills. Next, order them from shortest to longest.

Have a good weekend. See you next week.

Many thanks,

The F2 Team 😊
