

Ask Me About...

Welcome back, we hope you all enjoyed your half term. This week our topic has been Monsters, and we have loved reading our text Bedtime for Monsters. The children are looking forward to finding where the Monster really went at bedtime!

We have had some other very exciting news in Bluebell and Lavender class. Last week, a nest full of very special eggs arrived in our classroom. We also received a letter explaining that there had been a storm in Monster Land and we had the very special job of looking after these very special eggs. The eggs love books and we have been reading to them, the children are so excited for the eggs to hatch soon!

Here are our Ask Me About... moments for the last few days, these may start up a discussion with your child:

- Maths: Investigating length, height and time
- Phonics: ai, ee, igh, oa, oo, ar, or, ur, oo, ow, oi, ear
- Our Spring into Spring Day
- Creating monsters and homes for our monsters
- Bring a teddy to school day
- Our Garden Centre Role Play

Maths Challenge:

Collect some sticks from outside. Can you put them in order from the shortest to the longest? Can you find something longer than the longest stick? Can you find something shorter than the shortest stick? Take a picture and bring it into school to share.

Gardening Club:

We are really sorry if your child did not get a place on this half term's Gardening Club, there will be opportunities in the future for your child to get involved with this.

On Thursday 7th March, it is World Book Day, the children are more than welcome to bring in or email a photograph to the school office of them reading in their favourite place. Please bring in your favourite book to share with friends and get cosy in your pyjamas for the day.

Have a lovely week, many thanks,
The F2 Team 😊
