15th March 2024

Dear Parents and Carers,

A week full of celebrations:

- Firstly, congratulations to all our new POOCs this term. We are so proud of you all!
- Well done to the children who have become our Travel Ambassadors, we look forward to seeing you rise to the responsibility of promoting active travel and School Streets in our school community. Also, congratulations to the 3 children who won a scooter in Active Travel week. I think we all had our eye on one of them!
- Some great sporting achievements too...
 - A huge well done to Grace and Isla who took part in Wirral Primary School Cross Country Race on Monday. A wonderful performance with great stamina and commitment- it is no wonder you were awarded medals! Thank you for representing Greenleas so well.
 - Well done to the Y5/6 children who took part in the Tennis Tournament at Thorndale Tennis Club. Lots of fun matches took place with the children playing the best that they could be to be awarded 2nd and 3rd place! A wonderful achievement.

Red Nose Day 2024

Happy Red Nose Day! Many thanks for your support for a worthy cause. It has been lovely to see lots of red across the school. Thank you for your donations to date, the link will remain live until Monday 18th March if you would still like to donate. We will let you know our final total then.

Parents' Meetings next week

Parents' Meetings take place on Wednesday 20th and Thursday 21st March for all year groups, if you haven't yet booked your appointment, please do so via Arbor. The link will close at noon on Monday 18th. As a reminder, the following procedures will be in place to help the smooth running of them.

- These meetings are intended for parents **not** children.
- Appointments will be no more than 10 minutes
- Enter/leave the building through the main entrance
- Arrive no more than 5 minutes before your appointment
- Please leave the building promptly after the meeting

During parents' evening between 3:30 and 6:00pm Mrs Higginson (SENCo) will be available in her office for 'drop-in sessions'. You do not need to make an appointment to see her, but she will be available if you have any queries related to your child's additional needs. I will also be available for any queries or questions.

Working in partnership with you is so important to ensure the best outcomes for our children.
