

Ask Me About...

The children have had a fantastic week in Nursery - we are so proud of how well they have settled in!

It is often tricky for young children to remember what they have done during their time in school, so every Friday we will be in touch with our 'Ask me about' letter. This will let you know what the children have enjoyed in school, and will hopefully help to start up a discussion with your child.

This week we have enjoyed playing in the provision in our classrooms; the construction area, reading area and home corner have been a big hit! We have also played in our outdoor area, where the children have enjoyed using chalks to make marks, and have loved using our large construction toys and climbing equipment.

We have enjoyed a range of stories and nursery rhymes this week; particular favourites being Dear Zoo, We're going on a bear hunt, Hickory Dickory Dock and Humpty Dumpty.

Next week we will be starting our topic 'All about me'. We will be supporting the children to talk about their home and family. It would be lovely if you could send a family photo into school to support our discussions. You can send photos to the school office via email, and we will print them out. They will then go on display in our home corner! Thank you.

We hope you have a lovely weekend. See you next week.

Nursery Team (Mrs Johnston, Miss Barclay and Mrs Farrell)
