

GREENLEAS PRIMARY AND NURSERY SCHOOL

A FEW PLACES LEFT FOR SEPTEMBER 2025

Give your child the best possible start to their education in our new nursery provision
APPLICATIONS NOW OPEN

15 hour and 30 hour government funded places depending on your circumstances, plus the option to top up!

We would be happy to give you a tour and discuss your child's individual needs

Following a successful first year of Greenleas Early Years Provision we are delighted to share that we have increased capacity and have a few more spaces available for September.

Core Hours 8:45am-3:15pm – morning, afternoon or full day

Wraparound Care provision from 7:30am-5:45pm

A caring, safe, happy and inclusive environment that builds on the values and ethos of Greenleas Primary school

Refurbished exclusive facilities for our youngest children but with the benefits of being part of a larger school community, with more friendships, wider staff expertise, resources and events.

Our provision is led by an experienced and qualified teacher from our school. Our EYFS provision was rated outstanding in our recent Ofsted.

'Children get off to an excellent start to school in the early years where they develop a fascination with learning new things. Children gain new vocabulary and they find out how to communicate effectively with others. They learn how to play and interact well together. This prepares them well for the rest of their time in school.' Ofsted June 2023
